## ADDITIONAL STATEMENTS

#### RECOGNIZING THE ROTARY CLUB OF BOWLING GREEN, KENTUCKY

• Mr. PAUL. Mr. President, for 100 years, the Rotary Club of Bowling Green, KY, has been committed to the highest standards of humanitarian service. The results of this century of engagement can be seen in successful projects throughout my hometown of Bowling Green, but also abroad, where our local Rotary Club has partnered with Rotary International to globally eradicate polio and to meet other enormous public health and safety needs. I was privileged to participate, along with one of my sons, in a project to bring clean, chlorinated water to an underserved community in Guatemala and to see, firsthand, the impact that the Rotary Club of Bowling Green is having in the lives of families and children in that country. This is a tremendous organization that deserves our recognition. I commend its current president, Alan Palmer, his board, and the current members—who give generously of their time, resources, and talents—for leading this organization into a new century of service.
